

How to enjoy affordable weed in Phuket Thailand

Thailand is a magical country. And for weed lovers, there can only be two things that make or break your day here; the people and YES! The weed.

Nothing beats a good sesh before going out to indulge in the amazing beaches alongside one of the happiest people in the world.

If the people are full of smiles and certainly have little to no chance to ruin your day, let's focus on how a good sesh will make it. You see, a good session lies squarely on good weed. But we all know that good weed doesn't come street cheap.

Either way, the best quality weed in Phuket doesn't have to be expensive. This article talks about getting the best prices for your weed in Phuket and value for your money.

Quality weed in Phuket Patong

Let us start from the top. When on the road, you at times have to forget about your usual dispensary that is on speed dial, right? You may carry a good amount of flower to take you through your outing but what if you are visiting a new country in a new continent?

It is not new that you may have bought weed from a new budtender but instead got some brown crumbly weed. It smells like thrash and smokes so harsh it burns your nostrils, leave alone your throat.

Now that is one hell of a bad sesh and many times it starts with buying brick weed at throw away prices.

How to get best weed prices for weed in Thailand

The best bud breeders are sometimes from across the globe and so the best genetics won't come in cheap for top quality strains. With the Phuket Cannabis Dispensary you can get the best prices for cali weed in Thailand.

From as low as 700 baht per gramm, you can enjoy a wide variety of the world's best weed genetics. Here are more ways to lower your weed budget in Patong Thailand.

Broken down doses

Why should you buy a kilo of THC crystals when you know very well that you plan to stay for a week in this beautiful country. With a wide range of products, we have gone the extra mile to get them broken down to smaller doses.

This way you don't have to break the bank in order to have a taste of the variety in our weed products.

Door deliveries

Let us face it, you may be holed up in your hotel room and taking an Uber to pick your stash for the day may be an extra expense. How about using our door delivery service?

You get to not only save on the transport costs but also the valuable time going out to a brick and mortar dispensary.

Free to use bongs

And if you are anywhere near Patong Nanai Road 90/2, you won't need to buy expensive glass for your sessions. Instead, you can walk in through our doors and enjoy one of a kind **free to use bongs**.

And yes, they are artistic just like they are functional and effective in delivering an amazing experience.

There you have it with the most affordable weed in Phuket with **zero compromise on quality!**
